Sexual Addiction

	<p>Surfing for God: Discovering the Divine Desire Beneath Sexual Struggle by Michael John Cusick https://www.amazon.com/dp/0849947235/ref=cm_sw_em_r_mt_dp_U_UH8GCb1J4RTFP</p> <p>Read it. One of the best approaches to the underlying spiritual reasons for the addiction I have read. I highlighted probably 40% of the book. I read things I have not heard others express. It was unnerving to recognize thoughts that have been rattling around in my heart on a page.</p>
	<p>Hide or Seek: When Men Get Real with God about Sex by John Freeman Link: https://amzn.com/B011MP1QTO</p> <p>Read it. I love his writing. He also approaches the issue of the failure of the church and leadership to address and apply the gospel to this gaping wound. Be careful. In chapter 7 there is a story about a father, John, and his little son, Sam, that ripped my heart out with "What if's?" in my life. I had to send an email to the author to ask about what had happened to that little boy.</p>
	<p>Healing the Wounds of Sexual Addiction by Mark Laaser et al. Link: https://amzn.com/B000SFI688</p>
